Step 3

Click the “Try Weebly Websites” button.

The screenshot shows a Chrome browser window with the Weebly onboarding page. The address bar shows the URL `weebly.com/app/front-door/users/145623675/getting-started/#/`. The page header includes the Weebly logo and the text "eCommerce by Square". The main heading is "What kind of website would you like to create?" with a subtext "We'll provide you with the right tools to get started". There are two main options:

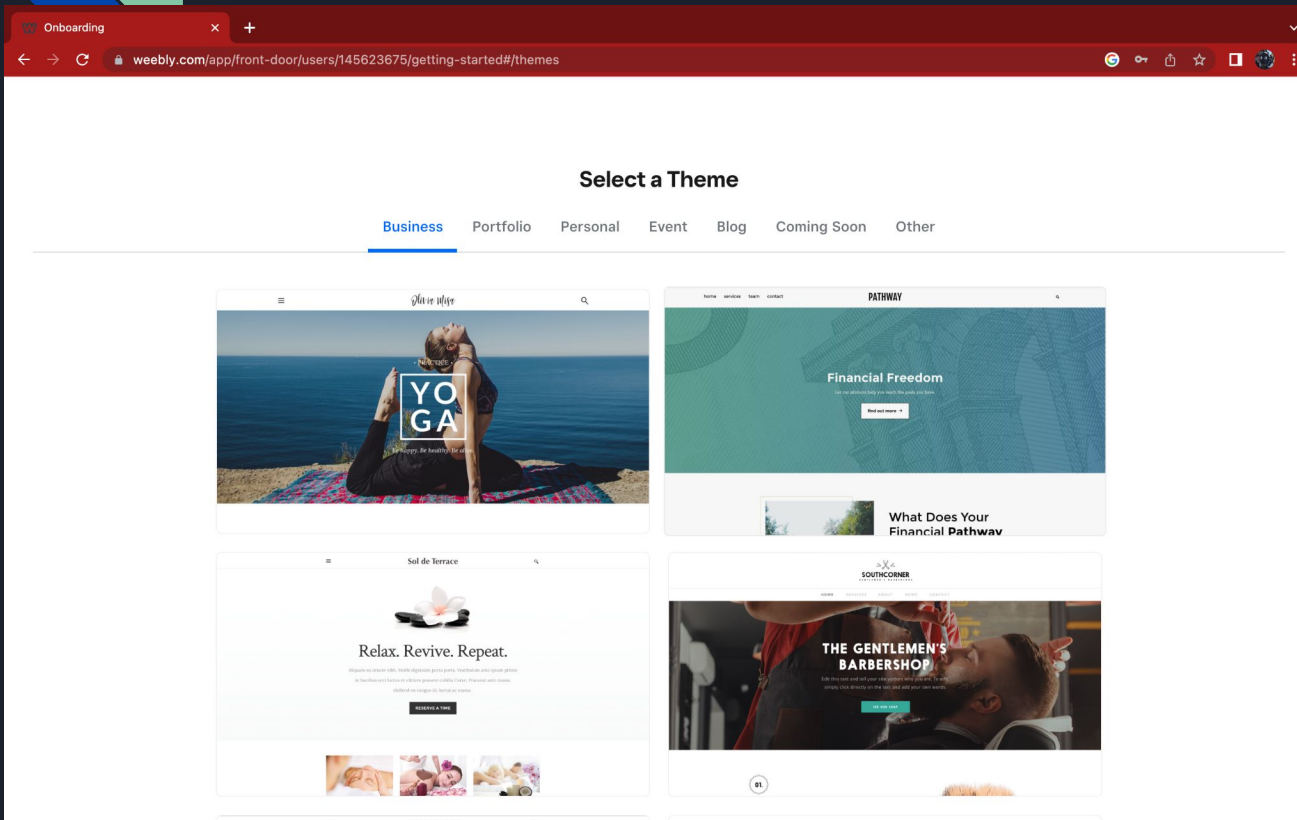

- I want a business website**
 - ✓ Create a branded website
 - ✓ Sell items or services online
 - ✓ Sell food online for pickup or delivery
 - ✓ Accept reservations or bookings
 - ✓ Connect my Instagram account
 - ✓ Automatically sync with Square POS

Try Square Online
- I want a personal website**
 - ✓ Create a portfolio site
 - ✓ Create a blog
 - ✓ No plans to sell online

Try Weebly Websites

The "Try Weebly Websites" button is highlighted in light gray, indicating it is the recommended or selected option.

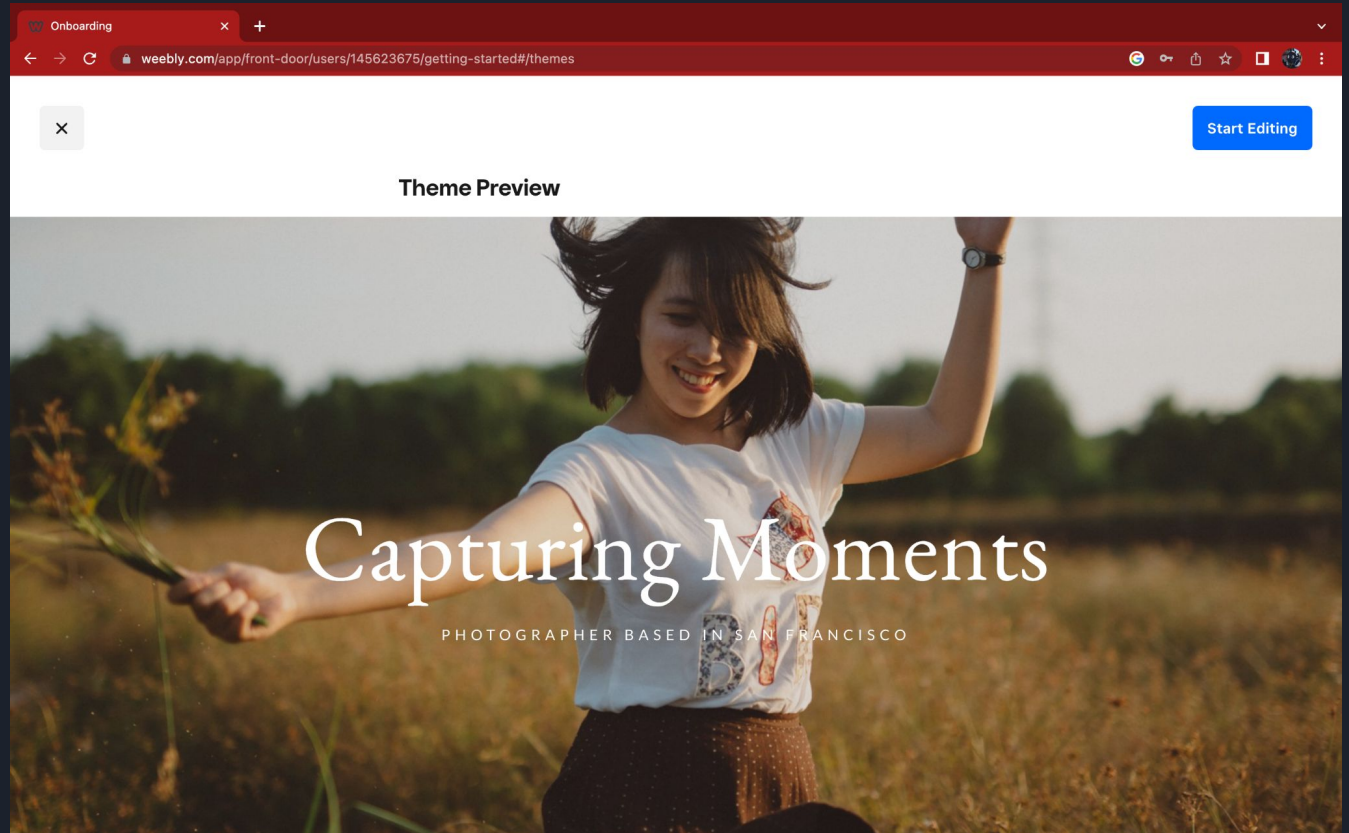

Step 4

Selected a desired theme from any section by clicking on it.

Step 5

Click “Start Editing” button

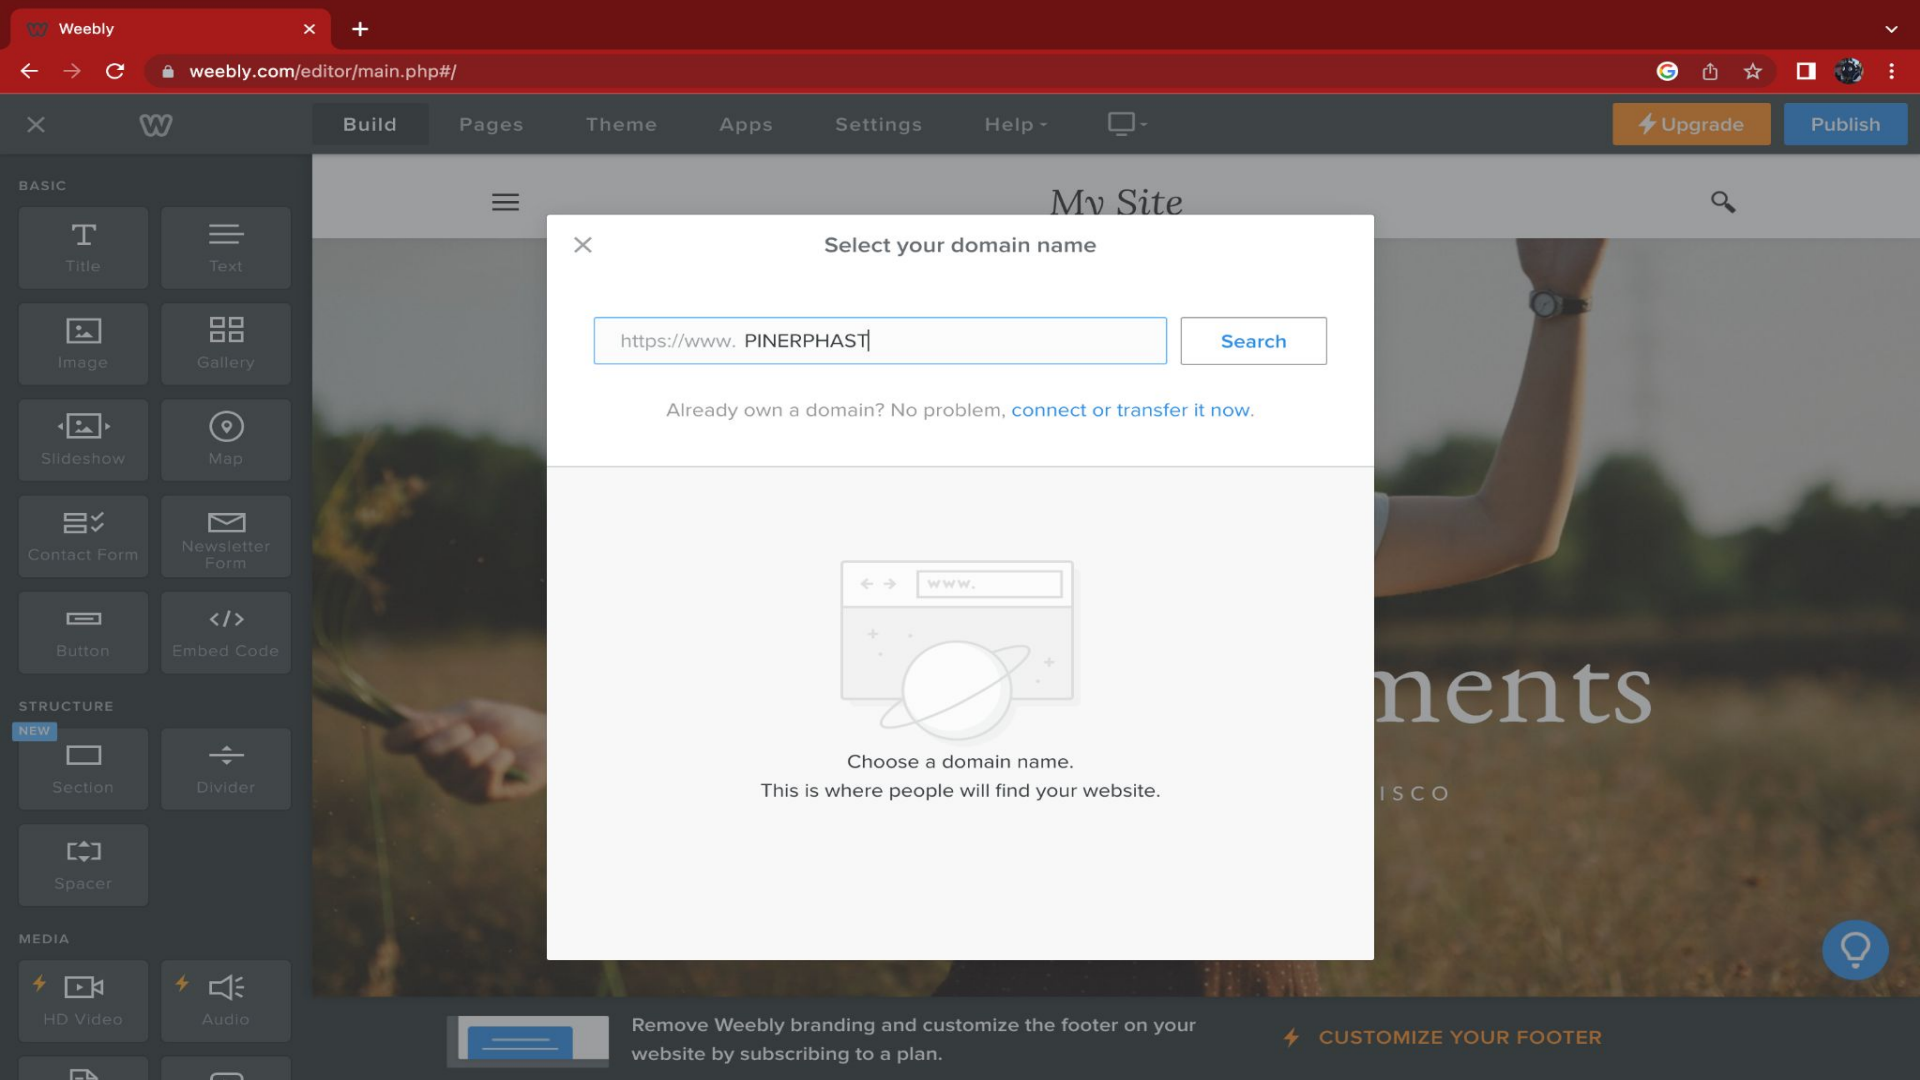

Step 6

The screenshot shows the Weebly website editor interface. A modal dialog box titled "Select your domain name" is centered on the screen. The dialog has a close button (X) in the top-left corner. Inside the dialog, there is a text input field containing "https://www. weebly.com" and a "Search" button to its right. Below the input field, there is a line of text: "Already own a domain? No problem, [connect or transfer it now.](#)". At the bottom of the dialog, there is an illustration of a computer monitor with a globe in front of it, and the text: "Choose a domain name. This is where people will find your website." The background of the editor shows a website preview with the title "My Site" and a search icon. The left sidebar contains various widget categories: BASIC (Title, Text, Image, Gallery, Slideshow, Map, Contact Form, Newsletter Form, Button, Embed Code), STRUCTURE (Section, Divider, Spacer), and MEDIA (HD Video, Audio). The top navigation bar includes "Build", "Pages", "Theme", "Apps", "Settings", "Help", "Upgrade", and "Publish".

You will be prompted to this screen. Type in a desired domain name / website name, then click the “search” button
